## ANSWERING A CALL

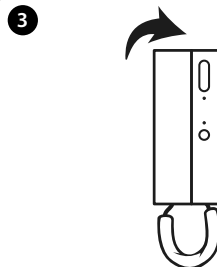

During a call

1 To answer an incoming call pick up the handset.

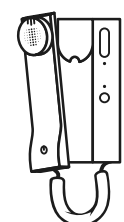

2 With the handset lifted a conversation with the caller can begin.

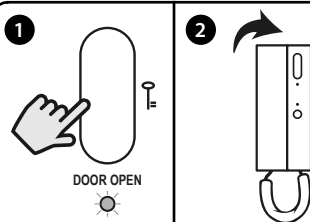

3 To end the call replace the handset back on the cradle.

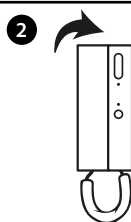

## TO OPEN THE DOOR

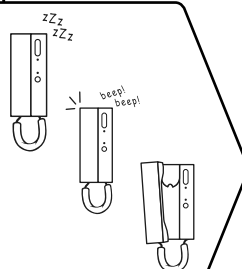

During a conversation

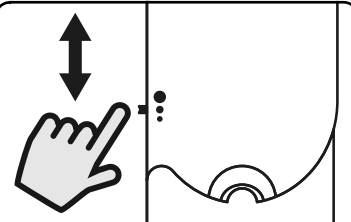

1 During a conversation, with the handset lifted, press the lock button  to operate the lock. The door open LED will illuminate. To end the call replace the handset back on the cradle.

## CALL TONE VOLUME ADJUSTMENT

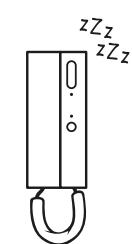

In every situation

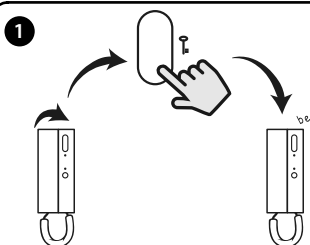

Move the volume switch to the lower position to set the call tone volume to low, to the middle position to set the call tone volume to medium and to the upper position to set the call tone volume to high.

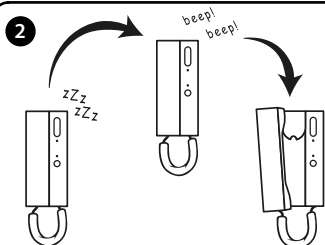

## MAKING A CALL TO THE CONCIERGE

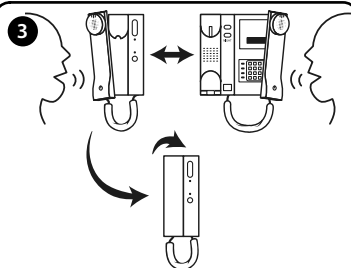

In standby

1 With the handset on the cradle press the lock button  once. The phone will emit a beep, to indicate a call has been placed to the concierge.

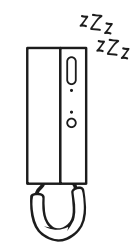

2 Wait for the callback from the concierge. After a brief delay the phone will ring. When the phone rings pick up the handset to answer the call.

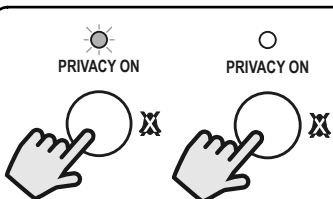

3 A conversation can begin between the phone and concierge. When the conversation is finished replace the handset back on the cradle.

## OPERATING THE PRIVACY BUTTON

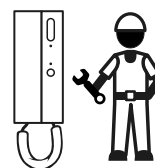

In standby

To activate privacy (switch the phone OFF) press the privacy button. The privacy LED will switch ON. The phone will automatically switch ON after the privacy duration time has expired or to manually switch the phone ON, press the privacy button.
